

## MORE FRUIT TREES NEEDED...

*For the last few years this has been the scene in the garden at Casa Valentin when the whole valley was flooded and vegetable crops were ruined. So it makes more sense to replace these crops with new fruit trees. These cost £15 each and about 20 new trees will be needed. Would you like to donate one and help provide more fruit for the children who visit Casa Valentin?*

## PREPARING FOR THE HOLIDAY CHILDREN

*A white tee-shirt has been bought for each child who will visit Casa Valentin this summer. They will decorate one to take home, which will remind them of their holiday, as these children did last year.*
